Travel Expense Claim & Submission Guide

1. Purpose of Travel Claim Guide

This document outlines the step-by-step instructions for submitting business travel claims. Employees must follow this workflow to ensure compliance with financial accounting standards and corporate policies.

2. Eligible Expenses and Documentation Requirements

All business travel claims must be accompanied by legible receipts or invoices showing details of the transaction. Credit card statements alone are not accepted as proof of purchase.

- **Meals**: Reimbursable up to $75/day. Detailed itemized receipts showing food items purchased are required.

- **Taxis and Rideshares**: Uber, Lyft, and local taxi receipts must state the pickup/dropoff locations and trip purpose.

- **Client Entertainment**: Claims for client business meals must record the names, companies, and titles of all attendees.

3. Submission in the Finance System

1. Log into the CORE Finance portal, navigate to 'My Expenses', and select 'Create Claim'.

2. Enter the travel date, destination, business purpose, and cost code.

3. Attach digital PDF or JPG scans of all receipts.

4. Click submit to route the claim to your manager. Claims must be submitted within 30 days of returning from travel.
